The Democratic Erosion Consortium

2022- Co-Director along with Robert Blair (Brown) and Jessica Gottlieb (University of Houston).
The [Democratic Erosion Consortium \(DEC\)](#) is a consortium of researchers, students, practitioners, and policymakers with the common goal of deepening understanding of democratic erosion and identifying evidence-based strategies to combat it. DEC's main activities include improving education on democratic erosion for students, policymakers, and practitioners; documenting democratic erosion trends and dynamics through the unique [Democratic Erosion Event Dataset \(DEED\)](#); marshaling existing research through policy briefs and workshops to inform evidence-based interventions; and fostering learning, discussion, and academic-practitioner partnerships.
